Roedd y clerc wedi danfon gwybodaeth at CCC ac wedi gofyn iddynt i wella y sefyllfa./ The clerk had written to the County Council to ask them to carry out repair work .

Derbyniwyd yr ateb canlynol ./ The following reply was received :-

We've had a look and walked along the route this morning, even though we'd agree that a vehicle has been driving along the road and has 'slightly' churned up the grassed surface at the top end, it is certainly not unusable or unsafe for walkers to use. There was still ample room to walk down the lane even without getting your footwear dirty which is obviously unusual along an unmade surface such as this.

I'm afraid as the above is deemed to be the case, there is very little assistance we can offer in this instance especially bearing in mind that the route in question is predominately an unmade green lane in a rural area. Also as you are fully aware there is no way of preventing motor vehicles using the route if they so wish.

provide feedback from the information sent to them by all Community and Town Council regarding the questionnaire on the 'Declaration of Interest' received at meetings.

From the information provided it is clear that there is some inconsistency in the way declarations are recorded and therefore they would strongly recommend that all councils consider adopting the following uniform approach :-

a. All Agendas to include a standing item entitled 'Declaration of Interest towards the beginning of the Agenda

b. At that point in the meeting , members with an interest in subsequent agenda items should declare :-

- i) The item in which they have an interest and
- ii) The nature of the interest

c. When an agenda item in which the member has declared an interest is reached ,the member should reiterate that interest and proceed to act in accordance with the code depending on the nature and the interest declared.

d. The minutes should fully record the name of the Councillor declaring an interest ,the item to which it relates ,the nature of the interest declared and the action taken by the council following the declaration.

7.0 Cynllunio / Planning

Dim wedi ei dderbyn . / Nothing received .

Yn ystod y mis /During the month

Yn dilyn gofyniad wrth Mr Landry i'r Cyngor Cymuned I ail edrych ar gais cynllunio W/31023 galwyd cyfarfod o'r Is Bwyllgor I drafod ac I edrych I mewn i'r cais cynllunio . Ar ôl trafodaeth penderfynodd yr is bwyllgor ar rhan y cyngor I wrthwynebu y cais am y rhesymau isod :-

Following a request and information from Mr Landry it was decided after consultation with the sub committee members to re- look at planning application number W/31023 (Retrospective Planning Application for the erection of a building in the garden of a private house at Cwmhebog , Porthyrhyd) . A sub committee meeting was called and after discussion it was decided that the clerk on behalf of the Community Council should oppose the application for the following reasons:-

- The large size of the building is out of proportion and out of character in relation to its surroundings and existing residential properties along this peaceful lane.
- This is an industrial/large agricultural building within a rural residential area and again considered out of character with its surroundings.
- The development site is outside recently published LDP area
- The large industrial building proposed will generate vehicular traffic of a type and size that is unsuited to the narrow access lane and will be dangerous to other road users. It is understood that the building will be used for agricultural and large vehicle maintenance and will generate considerably more movement along this country lane. Pedestrian traffic using the lane, which doesn't have a pavement, includes elderly persons and young families.
- Close to the property where the building has been erected there is a very narrow bridge which carries the access lane across a stream. It is unlikely that this bridge is capable of supporting large/heavy vehicles . The community Council request that this bridge is assessed for its weight carrying capability by the highways dept.
- The property known as Cwmhebog , Porthyrhyd already has a vehicular garage for domestic use.
